friends of the happy couple, was hold, following the ceremony, at 112, Austin Road.

"CASH AND CARRY"

Sir_May I be permitted to express my opinion that the Authorities should not wait to provide all Essential Workers the right to purchase food at N.A.A.-F.I. Canteens. If this scheme comes out, then those unfortunate Essential Workers who are not allowed to have meals at the Hong Kong Hotel can at least pay cash for their requirements instead of buying their daily necessities at black market prices. -Your etc.
